THE FRANCO-RUSSIAN PLAN

For the Settlement of the Chinese Troubles—Germans Slaughter the Pigtails

Washington, Oct. 5.—The joint Russian and French plan for the settle-ment of affairs in China was presented to Secretary Hay today for the sanc-tion and co-operation of the United States.

The plan is as follows:
First, punishment of all Chinese offi-cials guilty of the recent outrages.

Second, the interdiction of arms and ammunition on the way to China.

Third, the payment of an indemnity to the powers by the Chinese govern-ment.

Fourth, a sufficient guarantee from the Chinese government of the future safety of foreign ministers, consuls, missionaries and citizens.

It is believed that this plan will meet the approval of the United States gov-ernment, and that the three powers will unite in prosecuting a settle-ment, independent of any other coun-try.

Killed Four Hundred

Shanghai, Oct. 5.—Word was re-ceived here today of a fierce engage-ment between a contingent of Ger-mans and 2000 Boxers at Kau Ku Mon.

The Chinese made the attack and the Germans repulsed them, killing 400. The Germans lost five men.

Russia's Big Scheme

London, Oct. 5.—It is rumored here that Russia has transmitted to the United States an important and far-reaching proposal.

It is said to consist of a scheme for financing the provinces of Man-churia, Russia guaranteeing to the United States capitalists the exclusive rights to concessions, and promising them subventions at periods of five years.

Russians Seize Mines

Contrary to the agreement among the powers, Russia seized the Tong Shan mines. It is expected that trouble will follow from the act.

Against Withdrawal

Tien Tsin, Oct. 5.—American citi-zens here have adopted resolutions protesting against the withdrawal of troops from China.

A POWDER MILL EXPLOSION

Removes everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil, or aloes pills, when Dr. King's New Life Pills, which are gentle as a summer breeze, do the work perfectly. Cures Headache, Con-stitution. Only 25 cents at all drug stores.

HAVE THEIR EYE ON THEM

It is understood that the Jackson-ville Capital Association has an agent in West Florida to purchase the editorial expressions of those newspapers that will stoop to offer such for sale. The Press does not believe the agent will find many such newspapers in West Florida. However, there are a certain few the public are watching. The Press is "onto" one or two deals and at the proper time, if it sees fit, it will make them public.—Pensacola Press.

WILL WORK FOR OCALA

Col. R. A. Burford and F. E. Harris returned this afternoon from Fort Myers and Punta Gorda, where they spoke to enthusiastic audiences and created a most favorable impression for Ocala. When they reached those points they found a strong sentiment in favor of Tallahassee, but after hearing their speeches the populace was largely converted and will now work for Ocala.

A ROAST FOR McNAMEE

The Peripatetic Statesman Prejudices Jacksonville's Cause in Pensacola

E. B. Barker, city editor of the Pen-sacola News, gives Robert McNamee a column and a half roast because the latter in his capitol removal speech in Pensacola attacked the former, who was not present. McNamee said he did not owe Barker one cent, but Barker says he has McNamee's note for \$200 still unpaid on the stock of the defunct Jacksonville Evening News, Mc-Namee having paid only \$350 on \$550 worth of stock. Barker says McNamee sold the transferred stock for \$500.

Barker is suing McNamee's note to get judgment on the same, in the hope he says that some day he can sell it to one of McNamee's clients.

The affair caused great excitement in Pensacola and Jacksonville gained no votes by it.
